ENTRY INFORMATION

1. The 2024 Loo of the Year Awards are open to all 'away from home' washrooms in any one of the sixty-two different entry categories listed below.
2. An entry consists of one set of male, female, accessible, and baby changing facilities, in relatively close-proximity. Changing Places, Space to Change or Hygiene Rooms facilities may also be included in a set.
3. Any number of entry sets can be submitted, covering different locations in the same or separate buildings, towns or cities.
4. All male, female, accessible and baby changing facilities will be separately graded and the overall entry grade will be the aggregate grading awarded for the whole entry.
5. Each entry will be assumed to include accessible and baby changing facilities, except where it is either unreasonable to provide an accessible toilet (e.g. upstairs café with no lift) or no babies are normally allowed (e.g. school toilet).
6. **Please list your entries on the entry form overleaf, making sure you provide accurate information about opening hours and if each entry has an employed/contracted cleaner/attendant(s) * see note 8 & 9 below**
7. Please provide entry location directions where necessary, to assist our Inspectors' journey planning. Numbered location maps are useful for multiple entries – particularly from Local Authorities.
8. **Please provide information as requested concerning cleaning staff/contractors, to assist identification of our Washroom Technician of the Year Award winners.**
9. **All cleaning staff will automatically be entered in the Washroom Technician of the Year Awards and any staff seen at the time of the unannounced inspection visit will be deemed to represent the whole team.**
10. All entries will receive a Silver, Gold, Platinum, Platinum Plus or, the highest, Diamond grade. All entries achieving these grades will receive an Award Certificate. All Diamond and Platinum Plus and Platinum grade winners will qualify for selection for our range of National and UK and Ireland Awards, as detailed in the Awards flyer enclosed.
